Dear Sisters, Brothers, and Friends,

**RE: United Way of Saskatoon and Area's Fundraising 2022**

The Saskatoon & District Labour Council is proud of our partnership with United Way of Saskatoon and Area, which has been in place for over 25 years. Nationally and locally, these two movements share a common vision of prosperous, inclusive, diverse, and respectful communities with a wide range of social and public services that are easily accessible, and of the highest quality.

Our communities continue to struggle with the effects of the pandemic. Existing inequalities prior to the onset of COVID-19 have only worsened. Through collaborations, raising awareness, and investing in programs, United Way has always been there – working on solving local social issues that involve, kids, community, and poverty, and continuing to address emerging issues (like COVID) that affect everyone.

I urge all affiliates, unions, and members to support the **2022 United Way of Saskatoon and Area Fundraising Campaign** through financial donations, gifts of time and writing letters of endorsement to your members. Every gift matters. It is because of your support and local love that United Way can work and change lives.

If you have any questions, please call me at 306-384-0303 or contact Andrea Howe, Director, Labour Partnerships & Community Impact, United Way of Saskatoon and Area, at 306-380-6114.

In solidarity,

Don MacDonald, President
