Dear Sisters, Brothers, and Friends,

**RE: United Way of Saskatoon and Area's Fundraising 2023**

The Saskatoon & District Labour Council is proud of our partnership with United Way of Saskatoon and Area, which has been in place for over 25 years. Nationally and locally, these two movements share a common vision of prosperous, inclusive, diverse, and respectful communities with a wide range of social and public services that are easily accessible, and of the highest quality.

United Way has played an important role in our communities since 1959. They continue to work on solving social issues that affect kids, community, and poverty...and... continue to address and collaborate on emerging and growing issues (like homelessness) that affect everyone.

I urge all affiliates, unions, and members to support the **2023 United Way of Saskatoon and Area Fundraising Campaign** through financial donations, gifts of time, and writing letters of endorsement to your members. Every gift matters. Every gift makes a difference. It is because of your support and love for your local community that United Way can meet community needs in the moment plus tackle complex societal issues.

If you have any questions, please call me at 306-384-0303 or contact Andrea Howe, Director, Provincial Labour Partnerships, United Way of Saskatoon and Area 306-380-6114.

In solidarity,

Don MacDonald, President
