We're proud to support Period Promise!

We're joining **United Way Saskatoon** in the fight to end period poverty. By hosting our own product drive, we're helping ensure that everyone who menstruates has access to the products they need to live with dignity.

Every donation helps make a real impact in our community.

We're taking part in United Way Saskatoon's Period Promise!

We're collecting menstrual products to support those in need and help end period poverty in our community.

Proud to be part of this important initiative to remove barriers and ensure everyone has access to basic necessities.
